

# 2026

# VOLUNTEER OPPORTUNITIES

4th-8th Science Enrichment Programs

NISD Vision: every day, every student grows in confidence, curiosity, and capability.

**5th Grade Space Night - Friday, January 23rd**  
**Zachry Middle School**

Spend an evening with Young Astronauts & their families facilitating short activities or assisting guest speakers.

**Solar Car Race Day - Saturday, April 11th**  
**Gus Stadium**

Students use engineering skills as they work in teams to design and build a working solar car model. Volunteers assist as track coordinators and judges, scoring and time officials, and run repair stations.
