Updated 08/19/2026		

Make-up testing days will be available after each administration. No early testing will be administered.

Targeted academic support may be available for students who do not meet standards on one or more STAAR assessments in the content area(s) where they did not demonstrate proficiency.

For additional information and an overview of the statewide testing program, visit [texasassessment.gov](https://www.texasassessment.gov) and select **Students and Families**.
