General Northside ISD Athletic Media Policy

The goal of the Northside Independent School District is to provide the media with comprehensive and hospitable services during NISD athletic events. We appreciate the positive publicity our schools and athletes receive as a result of your work. Collaboration among the athletic office, communications office, and campuses has led to the development of an NISD media policy. We have addressed as many media groups as possible. We recognize that various media outlets have distinct requirements, and we strive to cater to the needs of all parties involved. This policy applies to media outlets interested in covering NISD athletic events held at NISD athletic facilities. Requests for campus interviews should be vetted through the NISD Communications Department.

Only individuals with NISD-issued media credentials will have access, and the protocol must be followed.

- Media outlets must identify the school(s) they are covering in their credential request.
- Each person, along with their respective duties (reporter or photographer), must be listed in the request.
- **Requests via telephone or email will NOT be accepted.**
- **Requests must be received at least 48 hours before the event. Late requests may not be considered.**
- The NISD makes the final determination on whether media credential requests are granted. If your request is denied, the NISD will make every effort to contact your media outlet at the email address provided in the credential request. It is your responsibility to ensure your credential request has been successfully received. All credentials will be placed on reserve at the event site and will not be mailed.
