Student Support:

Intervention

In our classroom, we are committed to the success of every student. If a student needs additional support in a specific skill or concept, they will have access to targeted intervention opportunities such as small-group instruction and computer based interventions. These interventions are designed to close learning gaps and help students build confidence.

Our school provides a campus wide intervention block Monday through Thursday from **8:00 am-8:30 am**. In addition, students who meet eligibility criteria receive targeted support from the **Reading Academic Support Teacher (AST), Language Support Teacher, and Day Tutors**.

Enrichment

Enrichment opportunities are built into our curriculum to challenge students through higher-level thinking and deeper exploration of class topics. Our goal is to ensure every student remains engaged and continues to grow at their own individual pace.

Our school provides opportunities for enrichment during our campus wide intervention block Monday through Thursday from **8:00 am-8:30 am**.
