Amazing Scarborough Families and Staff,

October 28, 2026

It is with great excitement that we introduce and welcome **Mr. John Castillo**, our new **Associate Principal**, to the Scarborough family!

Mr. Castillo will serve both Scarborough and Reed Elementary Schools, and we are thrilled to have him join our leadership teams. He brings 15 years of experience in education, having served as a biology teacher, track and football coach, soccer coach, and Assistant Principal. His diverse experiences, dedication to students, and passion for education will make him a wonderful addition to our school community.

What makes this introduction even more special is that Mr. Castillo is already part of our Husky family! He is the proud father of two Scarborough students, Amelie and Adeline, giving him a unique and meaningful connection to our campus.

I am confident that Mr. Castillo's leadership, positive energy, and commitment to high academic expectations will complement our campus mission and vision as we continue working together to ensure success for every student.

Over the next few weeks, Mrs. Beavers and I will work closely with Mr. Castillo as he transitions into his new role. He is eager to connect with our students, families, and staff, build meaningful relationships, and contribute to the wonderful things happening at Scarborough.

Please join me in extending a warm Husky welcome to Mr. Castillo! We look forward to the leadership, enthusiasm, and heart he will bring to our school community as we continue making this an amazing year of learning and growth for all our Huskies!

With Husky Pride,

Ursula Silberschlag
Principal
Scarborough Elementary
