## Program Guidelines

Welcome to OC Summer Programs! We're excited to help you earn credits and/or prepare for EOC retesting. Before we do, here are a few rules for summer programs:

- All school rules, policies and expectations apply over the summer.
  - This includes the dress code!
  - Come prepared!
- Attendance is mandatory to ensure your success. Students may be withdrawn from the CR or AI program if they have excessive absences/tardies.
- Students must follow rules concerning the care of the computers, and the NISD AUP.
- If there are any behavior problems or concerns, students can be dismissed from Summer Programs.
