Velma Delarosa, Clerk	210-397-4550
Rachel Lopez, Cafeteria	210-397-4585

What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach grade level standards. Parents are welcome to contribute comments to our School-Parent Compact at any time by contacting our Parent and Family Engagement Committee Chair at 210-397-4500.

Why we are a Title One Campus?

Under Every Student Succeeds Act (ESSA), campuses with high numbers of economically disadvantaged students (75% or above) must be served with federal Title 1 Funds.

Revised 5/17/23 for distribution in September 2023.

Building Partnerships and Communication Skills are the Key to Success

Murnin Elementary School offers events and programs to provide parents and students with access to our staff:

- Meet the Teacher Night
- Parent Orientation
- Parent-Teacher Conferences
- Student Led Conferences
- Family Academic Nights
- Counselor Coffees
- Pillar of Character Ceremonies
- Weekly Mariner Logs
- School Messenger
- Full Day Pre-Kindergarten
- Support Staff (Science AST, Math Coach, Math Specialists, Reading AST, Literacy Leader, Gifted and Talented Teacher, Day Tutor, Counselors, Licensed Specialist in School Psychology, Speech Language Pathologist, AST IA, Family Liaison, Dyslexia Interventionist)
- Progress Monitoring Circle for PreK, TX-KEA for Kinder, MAP Math for K-5 and MAP RLA for 1st-5th grade

Parent and Family Engagement

There are many opportunities at our school for parents to volunteer and play a role in their child's education. Please consider being a parent volunteer (PAL), Watch D.O.G.S. or an active PTA Member.

Volunteer Background Check at www.nisd.net

School-Parent Compact

Mission: Collaborative Community that Transforms Learning

Vision: All Students will Grow in Curiosity, Capability and Confidence

Our Core Beliefs:

- Each student deserves a quality education that honors their voice and prepares them to engage, contribute and succeed.
- Students health, safety, engagement challenge and support is directly linked to their academic achievement and future success.
- Meaningful relationships among students, families, educators and the community are vital to student success.

- We will take responsibility for all students by knowing and teaching to their individual needs.
- Public schools are essential to foster community and develop engaged citizens.

Learner Profile: Creators, Communicators, Collaborators, Critical Thinkers, Leaders, Learners, Innovators, Solution Finders

Campus Essential Standards

Pre-Kindergarten

Reading/Writing

- I can name at least 20 upper and 20 lower case letters.
- I can distinguish between elements of print including letters, words, and pictures.
- The child uses letter-like forms and actual letters to replace scribbles.

Math

- I can recognize numbers 1-10.
- I can count up to 10 objects using one to one correspondence.

Science

- I can observe, investigate, describe, and discuss properties and characteristics of common objects.

Social Studies

- I can discuss roles and responsibilities of family, school, and community helpers.

SEL

- I can initiate problem solving strategies when experiencing conflict with others and seek adult support when needed.

Academic Achievement Goals

As a school, we will

- Care for your child's safety and well-being by establishing a supportive and caring learning environment where your child has the opportunity to achieve his/her full potential.
- Hold a teacher-parent-student conference at least twice a year.
- Promote development of character through teaching the Six Pillars of Character and Kelso's Choices.
- Provide challenging curriculum to meet your child's needs.
- Communicate regularly regarding your child's progress and school activities.
- Welcome the community as part of our school family.
- Help students and parents understand the goal setting process, and guide students to establish goals and design an action plan.

As parents, we will

- Ensure our child comes to school daily and on time (school begins at 7:45 a.m. and ends at 3:00 p.m.).
- We will abide by school rules and regulations (school and classroom behavior, uniforms).
- Read at least 20 minutes daily with our child.
- Make sure homework is completed and that the communication folder is signed and returned.
- Encourage character development by modeling the Six Pillars of Character

(Caring, Trustworthiness, Respect, Responsibility, Citizenship, and Fairness) to our child.

- Participate in decisions and activities relating to the education of our child such as conferences, family nights and PTA meetings.
- Inform the school of any concerns or issues that might affect our child's academics or behavior.
- Help our child set and achieve goals. Be actively involved.

As students, we will

- Attend school regularly and be on time daily.
- Show good character by modeling the Six Pillars of Character and making the Right Choice.
- Be responsible each day for class work, homework, supplies, appropriate behavior and my school uniform.
- Take care of my school, my property, and the property of others.
- Ask for help when needed for both academics and behavior.
- Set goals and strive to achieve them.
- Take an active role in my education.

Campus Essential Standards

Kindergarten

Reading/Writing

- I can tell the sounds in a word and put sounds together to make a word.
- I can read at least 25 sight words.
- I can tell, write, or draw about a story.
- I can write uppercase and lowercase letters correctly and neatly.
- I can match my letters to sounds to write words.

Math

- I can read, write, count and show numbers 0-20.
- I can compose and decompose numbers to 10 with objects and pictures.
- I can compare two shapes to describe differences.

Science

- I can observe and record properties of objects, including, bigger/smaller, heavier/lighter, shape, color and texture.
- I can identify events that have repeating patterns, including seasons of the year and day and night.
- I can distinguish between living and nonliving things based upon whether they have basic needs and produce offspring.

Social Studies

- I can use words to describe locations.
- I can explain where, how and why people live.
- I can explain why we have rules.

Academic Achievement Goals

As a school, we will

- Care for your child's safety and well-being by establishing a supportive and caring learning environment where your child has the opportunity to achieve his/her full potential.
- Hold a teacher-parent-student conference at least twice a year.
- Promote development of character through teaching the Six Pillars of Character and Kelso's Choices.
- Provide challenging curriculum to meet your child's needs.
- Communicate regularly regarding your child's progress and school activities.
- Welcome the community as part of our school family.
- Help students and parents understand the goal setting process, and guide students to establish goals and design an action plan.

As parents, we will

- Ensure our child comes to school daily and on time (school begins at 7:45 a.m. and ends at 3:00 p.m.).
- We will abide by school rules and regulations (school and classroom behavior, uniforms).
- Read at least 20 minutes daily with our child.
- Make sure homework is completed and that the communication folder is signed

and returned.

- Encourage character development by modeling the Six Pillars of Character (Caring, Trustworthiness, Respect, Responsibility, Citizenship, and Fairness) to our child.
- Participate in decisions and activities relating to the education of our child such as conferences, family nights and PTA meetings.
- Inform the school of any concerns or issues that might affect our child's academics or behavior.
- Help our child set and achieve goals. Be actively involved.

As students, we will

- Attend school regularly and be on time daily.
- Show good character by modeling the Six Pillars of Character and making the Right Choice.
- Be responsible each day for class work, homework, supplies, appropriate behavior and my school uniform.
- Take care of my school, my property, and the property of others.
- Ask for help when needed for both academics and behavior.
- Set goals and strive to achieve them.
- Take an active role in my education.

Campus Essential Standards

1st Grade

Reading/Writing

- I can use letter-sound relationships to decode words with closed syllables; open syllables; VCe syllables; vowel teams, including vowel digraphs and diphthongs; and r-controlled syllables.
- I can use letter-sound relationships to encode words with closed syllables; open syllables; VCe syllables; vowel teams, including vowel digraphs and diphthongs; and r-controlled syllables.
- I can write a complete sentence using a subject and a verb.
- I can capitalize the correct words in different parts of sentences in my writing.
- I can use correct punctuation marks at the end of sentences.

Math

- I can compare whole numbers using comparative language.
- I can use objects, pictures and different forms (expanded/standard) to represent numbers up to 120.
- I can solve word problems using number sentences with and without pictures and words.
- I can use relationships to count by twos, fives, and tens to determine the value of pennies, nickels and/or dimes.

Science

- I can identify and describe a variety of natural sources of water, including streams, lakes and oceans.
- I can sort objects by their properties such as larger and smaller, heavier and lighter, shape, color and texture.
- I can sort and classify living and nonliving things based upon whether they have basic needs and produce offspring.

Social Studies

- I can create and use simple maps such as maps of the home, classroom, school, and community.
- I can identify characteristics of good citizenship.

Academic Achievement Goals

As a school, we will

- Care for your child's safety and well-being by establishing a supportive and caring learning environment where your child has the opportunity to achieve his/her full potential.
- Hold a teacher-parent-student conference at least twice a year.
- Promote development of character through teaching the Six Pillars of Character and Kelso's Choices.
- Provide challenging curriculum to meet your child's needs.
- Communicate regularly regarding your child's progress and school activities.
- Welcome the community as part of our school family.
- Help students and parents understand the goal setting process, and guide students to establish goals and design an action plan.

As parents, we will

- Ensure our child comes to school daily and on time (school begins at 7:45 a.m. and ends at 3:00 p.m.).
- We will abide by school rules and regulations (school and classroom behavior, uniforms).
- Read at least 20 minutes daily with our child.

- Make sure homework is completed and that the communication folder is signed and returned.
- Encourage character development by modeling the Six Pillars of Character (Caring, Trustworthiness, Respect, Responsibility, Citizenship, and Fairness) to our child.
- Participate in decisions and activities relating to the education of our child such as conferences, family nights and PTA meetings.
- Inform the school of any concerns or issues that might affect our child's academics or behavior.
- Help our child set and achieve goals. Be actively involved.

As students, we will

- Attend school regularly and be on time daily.
- Show good character by modeling the Six Pillars of Character and making the Right Choice.
- Be responsible each day for class work, homework, supplies, appropriate behavior and my school uniform.
- Take care of my school, my property, and the property of others.
- Ask for help when needed for both academics and behavior.
- Set goals and strive to achieve them.
- Take an active role in my education.

Campus Essential Standards

2nd Grade

Reading/Writing

- I can use my knowledge of syllable types to decode words.
- I can use context clues within and beyond a sentence to determine the meaning of unfamiliar words.
- I can apply learned phonic patterns to spell unknown words.
- I can write a complete sentence using a subject and verb.
- I can use proper punctuation in my writing.
- I can use details to support my writing.

Math

- I can use standard, word, and expanded forms to represent numbers up to 1,200.
- I can compare and order whole numbers up to 1,200 using comparative language, numbers, and symbols (>, <, or).
- I can solve one-step and multi-step word problems involving addition and subtraction within 1,000.
- I can determine the value of a collection of coins up to one dollar.
- I can use concrete models to count fractional parts beyond one whole using words and recognize how many parts it takes to equal one whole.

Science

- I can classify matter by its physical properties, including relative temperature, texture, flexibility, and whether material is a solid or liquid.
- I can investigate and describe how wind and water move soil and rock particles across the Earth's surface such as wind blowing sand into dunes on a beach or a river carrying rocks as it flows.
- I can describe how the physical characteristics of environments, including the amount of rainfall, support plants and animals within an ecosystem.

Social Studies

- I can identify and use information on maps and globes using basic map elements such as title, cardinal directions, and legend.
- I can identify major landforms and bodies of water, including each of the seven continents and each of the oceans, on maps and globes.

Academic Achievement Goals

As a school, we will

- Care for your child's safety and well-being by establishing a supportive and caring learning environment where your child has the opportunity to achieve his/her full potential.
- Hold a teacher-parent-student conference at least twice a year.
- Promote development of character through teaching the Six Pillars of Character and Kelso's Choices.
- Provide challenging curriculum to meet your child's needs.
- Communicate regularly regarding your child's progress and school activities.
- Welcome the community as part of our school family.
- Help students and parents understand the goal setting process, and guide students to establish goals and design an action plan.

As parents, we will

- Ensure our child comes to school daily and on time (school begins at 7:45 a.m. and ends at 3:00 p.m.).
- We will abide by school rules and regulations (school and classroom behavior, uniforms).
- Read at least 20 minutes daily with our child.

- Make sure homework is completed and that the communication folder is signed and returned.
- Encourage character development by modeling the Six Pillars of Character (Caring, Trustworthiness, Respect, Responsibility, Citizenship, and Fairness) to our child.
- Participate in decisions and activities relating to the education of our child such as conferences, family nights and PTA meetings.
- Inform the school of any concerns or issues that might affect our child's academics or behavior.
- Help our child set and achieve goals. Be actively involved.

As students, we will

- Attend school regularly and be on time daily.
- Show good character by modeling the Six Pillars of Character and making the Right Choice.
- Be responsible each day for class work, homework, supplies, appropriate behavior and my school uniform.
- Take care of my school, my property, and the property of others.
- Ask for help when needed for both academics and behavior.
- Set goals and strive to achieve them.
- Take an active role in my education.

Campus Essential Standards

3rd Grade

Reading/Writing

- I can use context clues to determine the meaning of unfamiliar and multiple meaning words.
- I can make inferences and use the evidence to support understanding.
- I can explain the author's purpose and message within a text.
- I can use text evidence to support an appropriate response.
- I can edit drafts using standard English conventions, complete simple and compound sentences with subject-verb agreement.
- I can edit drafts using standard English conventions, punctuation marks, including apostrophes in contractions and possessives and commas in compound sentences and items in a series.
- I can revise drafts to improve sentence structure and word choice by adding, deleting, combining, and rearranging ideas for coherence and clarity

Math

- I can solve one and two step addition & subtraction, multiplication and division problems.
- I can represent one- and two-step problems involving addition and subtraction of whole numbers to 1,000 using pictorial models, number lines, and equations.
- I can represent and solve one- and two-step multiplication and division problems within 100 using arrays, strip diagrams, and equations.

Science

- I can predict, observe, and record changes in the state of matter caused by heating or cooling in a variety of substances such as ice becoming liquid water, condensation forming on the outside of a glass, or liquid water being heated to the point of becoming water vapor (gas)
- I can plan and conduct a descriptive investigation to demonstrate and explain how position can be changed by pushing and

pulling objects such as swings, balls, and wagons

- I can explain how temperature and precipitation affect animal growth and behavior through migration and hibernation and plant responses through dormancy
- I can identify the order of the planets in Earth's solar system in relation to the Sun.

Social Studies

- I can describe how individuals, events, and ideas have changed communities, past and present.
- I can describe the basic structure of government in local communities, state, and nation.
- I can gather information, including historical and current events and geographic data, about the community using a variety of resources.

Academic Achievement Goals

As a school, we will

- Care for your child's safety and well-being by establishing a supportive and caring learning environment where your child has the opportunity to achieve his/her full potential.
- Hold a teacher-parent-student conference at least twice a year.
- Promote development of character through teaching the Six Pillars of Character and Kelso's Choices.
- Provide challenging curriculum to meet your child's needs.
- Communicate regularly regarding your child's progress and school activities.
- Welcome the community.
- Help students and parents understand the goal setting process, and guide students to establish goals and design an action plan.

As parents, we will

- Ensure our child comes to school daily and on

time (school begins at 7:45 a.m. and ends at 3:00 p.m.).

- We will abide by school rules and regulations (school and classroom behavior, uniforms).
- Read at least 20 minutes daily with our child.
- Make sure homework is completed and that the communication folder is signed and returned.
- Encourage character development by modeling the Six Pillars of Character (Caring, Trustworthiness, Respect, Responsibility, Citizenship, and Fairness) to our child.
- Participate in decisions and activities relating to the education of our child such as conferences, family nights and PTA meetings.
- Inform the school of any concerns or issues that might affect our child's academics or behavior.
- Help our child set and achieve goals. Be actively involved.

As students, we will

- Attend school regularly and be on time.
- Show good character by modeling the Six Pillars of Character and making the Right Choice.
- Be responsible each day for class work, homework, supplies, appropriate behavior and my school uniform.
- Take care of my school, my property, and the property of others.
- Ask for help when needed for both academics and behavior.
- Set goals and strive to achieve them.
- Take an active role in my education.

Campus Essential Standards

4th Grade

Reading/Writing

- I can use context within and beyond a sentence to determine the meaning of unfamiliar words and multiple-meaning words.
- I can make inferences and use the evidence to support understanding.
- I can evaluate details to read to determine key ideas.
- I can edit drafts using standard English conventions, punctuation marks, including apostrophes in contractions and possessives and commas in compound sentences and items in a series.
- I can use text evidence to support an appropriate response.

Math

- I can represent the value of the digit in whole numbers through 1,000,000,000 and decimals to the hundredths using expanded notation and numerals.
- I can add and subtract whole numbers and decimals to the hundredths place using the standard algorithm.
- I can represent and solve addition and subtraction of fractions with equal denominators using objects and pictorial models that build to the number line and properties of operations.
- I can solve with fluency 1-and 2-step problems involving multiplication and division, including interpreting remainders

Science

- I can classify and describe matter using observable physical properties, including temperature, mass, magnetism, relative density (the ability to sink or float in water), and physical state (solid, liquid, gas).

- I can model and describe slow changes to Earth's surface caused by weathering, erosion, and deposition from water, wind, and ice.
- I can explore and explain how structures and functions of plants such as waxy leaves and deep roots enable them to survive in their environment.

Social Studies

- I can apply mapping elements, including grid systems, legends, symbols, scales, and compass roses, to create and interpret maps.
- I can identify and explain patterns of settlement such as the location of towns and cities in Texas at different time periods.

Academic Achievement Goals

As a school, we will

- Care for your child's safety and well-being by establishing a supportive and caring learning environment where your child has the opportunity to achieve his/her full potential.
- Hold a teacher-parent-student conference at least twice a year.
- Promote development of character through teaching the Six Pillars of Character and Kelso's Choices.
- Provide challenging curriculum to meet your child's needs.
- Communicate regularly regarding your child's progress and school activities.
- Welcome the community as part of our school family.
- Help students and parents understand the goal setting process, and guide students to establish goals and design an action plan.

As parents, we will

- Ensure our child comes to school daily and on time (school begins at 7:45 a.m. and ends at 3:00 p.m.).

- We will abide by school rules and regulations (school and classroom behavior, uniforms).
- Read at least 20 minutes daily with our child.
- Make sure homework is completed and that the communication folder is signed and returned.
- Encourage character development by modeling the Six Pillars of Character (Caring, Trustworthiness, Respect, Responsibility, Citizenship, and Fairness) to our child.
- Participate in decisions and activities relating to the education of our child such as conferences, family nights & PTA mtgs.
- Inform the school of any concerns or issues that might affect our child's academics or behavior.
- Help our child set and achieve goals. Be actively involved.

As students, we will

- Attend school regularly and be on time.
- Show good character by modeling the Six Pillars of Character and making the Right Choice.
- Be responsible each day for class work, homework, supplies, appropriate behavior and my school uniform.
- Take care of my school, my property, and the property of others.
- Ask for help when needed for both academics and behavior.
- Set goals and strive to achieve them.
- Take an active role in my education.

Campus Essential Standards

5th Grade

Reading/Writing

- I can use context clues to figure out the meaning of unknown words.
- I can use my background knowledge and information from the text to draw a conclusion.
- I can retell, paraphrase, or summarize texts in ways that maintain meaning and logical order.
- I can analyze how the use of text structure contributes to the author's purpose.
- I can develop drafts into a focused, structured, and coherent piece of writing.
- I can revise drafts to improve coherence & clarity.
- I can construct a complete sentence with correct capitalization and punctuation.

Math

- I can compare and order two decimals to thousandths and represent comparisons using the symbols $>$, $<$, or $=$.
- I can solve for products of decimals to the hundredths.
- I can divide decimals to the hundredths, up to four-digit dividends and two-digit whole number divisors.
- Graph in the first quadrant of the coordinate plane ordered pairs of numbers arising from mathematical and real-world problems, including those generated by number patterns or found in an input-output table.

Science

- I can classify matter based on measurable, testable and observable physical properties, including mass, magnetism, physical state (solid, liquid, and gas), relative density (sinking and floating using water as a reference point), solubility in water, and the

ability to conduct or insulate thermal energy or electric energy

- I can demonstrate that light travels in a straight line until it strikes an object and is reflected or travels through one material to another and is refracted.
- I can observe the way organisms live and survive in their ecosystem by interacting with the living and nonliving components.
- I can analyze and interpret information to construct reasonable explanations from direct (observable) and indirect (inferred) evidence

Social Studies

- I can explain when, where, and why groups of people explored, colonized, and settled in the United States, including the search for religious freedom and economic gain.
- I can explain the geographic factors that influence patterns of settlement and the distribution of population in the United States
- I can explain my rights as an American citizen under the first, second, and fifth Amendments.

Academic Achievement Goals

As a school, we will

- Care for your child's safety and well-being by establishing a supportive and caring learning environment where your child has the opportunity to achieve his/her full potential.
- Hold a teacher-parent-student conference at least twice a year.
- Promote development of character through teaching the Six Pillars of Character and Kelso's Choices.
- Provide challenging curriculum to meet your child's needs.
- Communicate regularly regarding your child's progress and school activities.
- Welcome the community as part of our school

family.

- Help students and parents understand the goal setting process, and guide students to establish goals and design an action plan.

As parents, we will

- Ensure our child comes to school daily and on time (school begins at 7:45 a.m. and ends at 3:00 p.m.).
- We will abide by school rules and regulations (school and classroom behavior, uniforms).
- Read at least 20 minutes daily with our child.
- Make sure homework is completed and that the communication folder is signed and returned.
- Encourage character development by modeling the Six Pillars of Character (Caring, Trustworthiness, Respect, Responsibility, Citizenship, and Fairness) to our child.
- Participate in decisions and activities relating to the education of our child such as conferences, family nights and PTA meetings.
- Inform the school of any concerns or issues that might affect our child's academics or behavior.
- Help our child set and achieve goals. Be actively involved.

As students, we will

- Attend school regularly and be on time.
- Show good character by modeling the Six Pillars of Character and making the Right Choice.
- Be responsible each day for class work, homework, supplies, appropriate behavior and my school uniform.
- Take care of my school, my property, and the property of others.
- Ask for help when needed for both academics and behavior.
- Set goals and strive to achieve them.
- Take an active role in my education.
