Family & Community Engagement Liaison

What is a Family and Community Engagement Liaison?

- A Liaison works to bridge the gap between home and school by helping parents obtain the information and support they need to ensure their child's academic and social success.
- As a Liaison, I am here to help students succeed, to support families with resources, encourage school participation and much more.

What are the goals of the Liaison?

- To **Motivate** every student and their families to achieve greatness
- To **Create** an atmosphere that is welcoming for parents, families, and the community

- To **Gather** information and resources from our community partners that will assist each family's needs in their day-to-day lives
- To **Celebrate** ALL accomplishments of our teachers, students, families and communities

What are some resources the Liaison can provide?

- Basic Needs (clothes, shoes, eye glasses)
- School Items (backpacks, school supplies)
