

2026-2027 Anson Jones/Jones Magnet Title 1 Parent Information

Why Are We a Title 1 Campus?

Under Every Student Succeeds Act (ESSA), campuses with high numbers of economically disadvantaged students (75% or above) must be served with federal Title I funds. It is the District's decision to serve schools below 75%.

Anson Jones is approximately **76%** economically disadvantaged.

What does it mean to be a Title 1 Campus?

A Title I program is designed to help students achieve academic success by providing additional opportunities through supplemental funds.

How Does this Happen?

Anson Jones receives approximately **\$702,009** from the federal government that must be spent according to strict guidelines. Title I schools must use scientifically research-based instructional strategies and implement a parent and family engagement program.
