

ClassDojo

Dear Families,

We have exciting news: starting 8/7/26 teachers, coaches, and staff will be able to message families directly and securely through ClassDojo **Teacher-Parent Messaging**.

What parents and guardians can expect

- You'll receive an email notification when your family is first invited to set up an account.
- After clicking the link, this will take you to a screen to either sign up or log into your existing account. Once you have logged into your account, you will see that you are connected to your child's class.
- Connected families logged into the app will receive push notifications every time they are sent a private, group, or mass message, and every time a School Story or Class Story post is shared. Family members do not receive a notification each time their child receives a point or feedback.
- To send or reply to a teacher's message, please log in to your account on the ClassDojo app or the ClassDojo website. Once in your account, click on the Chats tab, then the teacher's name. Use the blank compose box at the bottom of the screen to write your message and click "Send" to send the message to your student's teacher.

Questions about setting up your account? Review the [FAQ guide here](#) or Contact ClassDojo support at help@classdojo.com or parent@classdojo.com.

Warmly,
Campus Administration
