

TINY HOMES SHOWCASE

FREE ADMISSION Saturday, May 18, 2024 Gates Open at 10am to 2pm

About The Showcase

The Tiny Homes Showcase is sponsored by Northside ISD's Construction Careers Academy. CCA is a 4 year public high school that trains students in the areas of electrical, HVAC, plumbing, pipe-fitting, carpentry, architecture, construction management and applied engineering. It is public education impacting workforce development through training students in the field of construction. The Showcase is a culmination of what they have learned and serves as an opportunity to showcase their skills.

What to Expect at This Year's Showcase

- Tour our Student-Built Tiny Homes In The Showcase.
- Kid's Zone, Hands on construction activities and games for kids
- Drive a Mini-Excavator sponsored by: SUNDT
- Visit with our Business Partners and Exhibitors.
- See various students' work on display.

Purchase Student Projects

- Deer Blinds
- Well House
- Picnic Tables/Stools
- Branka Tiny Home/Cabin
