- Bachelor's Degree from Accredited University
- Valid Texas teaching certificate in Career & Technical Education OR currently enrolled in an Alternative Certification Program (ACP) and can demonstrate competency in Health Science
- Health Science Certification *preferred*
- General knowledge of curriculum and instruction
- Ability to instruct students and manage their behavior
- Strong organizational, communication and interpersonal skills
- Must have satisfactory outcome of fingerprinting check prior to starting employment. Non-refundable fee paid by applicant.

**DUTIES AND RESPONSIBILITIES**

- Fulfill the requirements of the district's curriculum program while integrating a conceptual lens of the magnet focus.
- Collaborate with magnet and content PLCs to design high quality instruction focusing on the integration of magnet concepts with the course standards.
- Design and implement project-based lessons that utilize the NISD Design Process.
- Participate in NISD and magnet focused staff development to improve job-related skills.
- Work cooperatively with campus administration, central office, and business & industry on magnet focused activities such as club sponsorships, student recruitment, internships, field trips and partnerships.
- Develop lessons that reflect differences in student learning styles; conduct ongoing formative and summative assessment of student progress and mastery.
- Work cooperatively with administrators, team leaders, department coordinators, content specialists and other staff as needed to meet curriculum objectives.
- Collaborate with Special Education teachers to modify and accommodate curricula as needed for special education students according to guidelines established in Individual Education Plans (IEP).
- Manage student behavior in accordance with Student Code of Conduct and student handbook.
- Take all necessary and reasonable precautions to protect students, equipment, materials and facilities.
- Assist in selection of books, equipment and other instructional materials.
- Establish and maintain open communication by conducting conferences with parents, students, principals and teachers.
- Compile, maintain and file all physical and computerized reports, records and other documents required.
- Attend and participate in faculty meetings and serve on staff committees as required.
- Present subject matter according to guidelines established by TEA, board policies and administrative regulations.
- Perform other duties as assigned.

**WORKING CONDITIONS**

Maintain emotional control under stress. Daily attendance and punctuality at work are essential functions of the job. Frequent standing, stooping, bending, kneeling, pushing and pulling. Move small stacks of textbooks, media equipment, desks and other classroom or adaptive equipment.
