Semester exams will be given based on the schedule above and are weighted 10 percent of a student's semester grade in a class. Students are expected to complete all semester exams as scheduled and remain in class for the duration of the class period. On half-days, if a student's lunch period coincides with the second exam period, they may leave campus with parent permission. If their lunch is during the first period exam they may report to campus at the end of that exam period at 11:00 a.m. Students who utilize NISD Transportation must remain on campus and in the cafeteria/courtyard areas during their lunch exam time.

Please note: There are no exemptions for exams in the fall.
