## Reminders

45 minutes of AR counts for clearing one HS credit class absence.

Students must bring school work to complete or bring something to read.

Students will need to be picked up on time.

Students do not have to stay for the entire session. Example: a student may leave after 45 minutes if they want to make up only one class period.

To earn credit in a high school class, a student cannot have more than 10 absences in a spring semester class (Comm Apps, AVID, or Innovative Thinkers), or 17 absences in a year long class.

Please review absence/attendance counts on HAC. If you have any questions, please ask your teacher for clarification.
