## Talent Show Requirements

Please read these requirements carefully.

The Talent Show Committee, consisting of teachers and administrators, will screen acts for appropriateness, quality, and safety. Decisions of the Talent Show Committee are final.

- Parents, please watch the act at least once before the audition to check for appropriateness, quality, and length of the act.
- Once a student has qualified to participate in the talent show, it is the responsibility of the student and parent to practice on their own time. Students will not be given an opportunity to practice their routine during school hours.
- All acts will be limited to 2 minutes maximum time. Please plan your routine accordingly.
- The act must be thought out and prepared well in advance so that the student(s) can do their very best at the audition.
- If your act requires recorded accompanying music, the music must be:
  1. Provided to the Talent Show Committee before or on Friday May 17th. The music must be able to be played on an iPad, so an electronic copy is the easiest. If you would like to email it, my email is: [Clarissa.Molina@nisd.net](mailto:Clarissa.Molina@nisd.net)
  2. If a CD is provided, it must be labeled with the student's name, teacher's name, song name, and artist/composer.
  3. Edited to be no longer than 2 minutes in length.
  4. Due to Copyright Laws, music must not have lead vocals. Karaoke tracks are usually available online and in local stores.
  5. No inappropriate language will be allowed on any music track.
- Costumes must be approved by the Talent Show Committee and worn to the dress rehearsal.
- No exposed midriffs will be allowed. Body suits may be worn underneath costumes.

Students MUST be present for the rehearsal to be eligible to perform in the talent show.
