First Day of School

In preparation for our first day of school next week, Aug. 24, I want to make sure you and your child know exactly what to do on Monday morning.

You will find some very good resources on our District website – nisd.net – that walk you through the first day including a checklist for a successful first day of school and informational videos for both elementary and secondary level.

1. Please be sure to test your technology prior to Monday.
2. Please login to HAC.nisd.net to see your student's schedule.
3. Students will log into their Student Portal using their Username and Password
<https://mynisd.nisd.net/SSO/Portal>
4. Locate the Schoology icon on your Student Portal and click on the course tile to join.
5. Please review the Zachry Bell Schedule.
6. Your teachers will be "LIVE" for at least the first 15 minutes of each class to give directions and take attendance. You must engage and complete daily tasks in each course each day, prior to midnight to protect your attendance.
7. If you are unable to meet at the designated time, be sure to log on and click on the class tile and turn in your assignment before 11:59 pm to be counted present for the day.
8. [Steps for a Successful First Day.](#)
9. Lunch and Breakfast for the next day distribution 11am -1pm will be **for NISD students only** starting Monday August 24, 2020. You will need the paper that the district emailed your or your students' name(s) and ID number to get a meal.
