

# HB 3 Annual Report and Goals

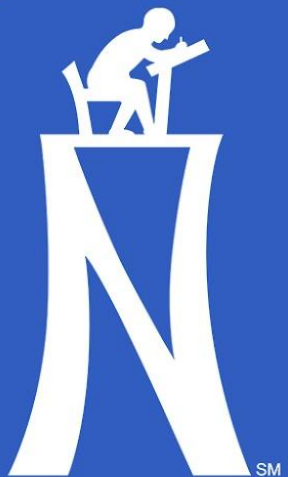

**Board of Trustees  
August 23, 2022**

# Background

HB 3 (TEC 11.185 and 11.186) requires districts to adopt goals in 3rd grade reading and mathematics, as well as college, career, and military readiness (CCMR).

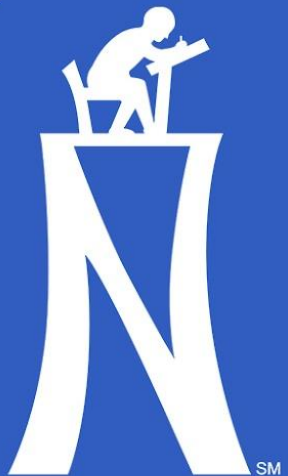

## These plans must include:

- an annual review by the Board at a public meeting
- the posting of the annual review on the district's website
- specific annual goals for five years at the district and each campus.

# Process for Developing Goals & Targets

- Reviewed a 5 year trend of data to understand the district's current state
- Considered the learning loss due to the COVID-19 disruption and adjusted accordingly
- Approved annual targets which will lead to the meeting or exceeding of the 5 year deadline target
