

Dear Parents/Legal Guardian,

Communities In Schools of San Antonio (CIS-SA) is a school-based program designed to provide services to students and their families. We are a national, non-profit organization providing services in over 85 schools and 14 school districts in and around Bexar County.

In order for students to participate in our program, a registration packet must be signed and completed by a parent or legal guardian. *Please complete paperwork via the link provided.* Please make sure to select "Excel Academy" as your campus. The CIS-SA registration packet is attached below.
