## Briscoe Middle School

Northside ISD is providing teachers with additional planning times on the days listed below. Because of this, students will be attending school for part of the day in the morning and then released early at 12:40 pm. We appreciate the opportunity to have quality planning time for our staff, which will help us ensure a quality education for your child.

**It is vital that your child participate in instruction on these days.** Plans have been carefully made to take advantage of the morning schedule. Lunch will be served prior to students leaving for the day, and regular bus routes will depart at the **12:40 pm dismissal time.**

Keep this portion of the flyer and post it on your refrigerator as a reminder of the specific teacher planning days. Please call the campus at 210-398-1100 if you have any questions.

For your information, the afternoon planning days for teachers are listed below.
