June 3, 2021	End of 2nd Semester	
Grade changes & impact on eligibility	Students can regain lost eligibility if an error was made on the teacher's part in recording or reporting grades. In these instances, the grade change form needs to indicate "teacher error" as the reason for the change.	
Advanced classes & eligibility	Students in pre-AP, AP, OR, or Dual courses can utilize waivers in the event they are deemed ineligible because they fail a course. The grade must be above a 60 and they are limited to 3 waivers total per year.
