Hybrid Schedule Legend

B Day (Last Names M-Z)

Campus Testing Day – All Virtual Learning

Hybrid Schedule Information

- A student who is scheduled for in person learning should report to campus on the assigned days based on their last name
- On off-campus days, students must participate in virtual learning and engage in live, synchronous and/or asynchronous learning for each class period to be counted present.
- Students do not have the option to switch the days they are assigned to attend in person
- If an in-person learner has to stay home due to illness, they should not report back to campus until they are well AND it is their next scheduled in person day.
- If an in-person learner is not able to attend school due to illness and is well enough to participate as a virtual learner, they may continue to engage in either synchronous or asynchronous instruction.

Hybrid Attendance Codes:

- P = Present (In-Person)
- RA = Present (Remote Asynchronous)
- A = Absent (Did not engage prior to 11:59 pm)

Attendance for Credit Reminder: To earn credit for a course, students must be in attendance and marked P or RA for 90% of the school year, which equates to 8 absences in the fall semester and 10 in the spring. Students will lose credit for the course if they exceed those limits.
