Hybrid Schedule Information

- ◆ A student who is scheduled for in-person learning should report to campus on the assigned days based on his/her last name as listed above.
- ◆ On non-campus days, a student **MUST PARTICIPATE** in virtual learning from home and engage in live, synchronous learning and/or asynchronous learning for each class to be counted present on virtual days.
- ◆ Students do not have the option to switch days they are assigned to attend in-person or attend classes on an unassigned day.

- ◆ If an in-person learner has to stay home due to illness, he/she should not report back to campus until they are well AND it is their next scheduled in-person day.

- ◆ If an in-person learner has to stay home due to illness and is well enough to participate as a virtual learner, they may continue to engage and not be counted absent by engaging in live, synchronous learning and/or asynchronous learning for each class.

Hybrid Attendance Codes:

- ◆ P—Present In-Person
- ◆ RA—Present Remote Asynchronous
- ◆ A—Absent (Did not engage prior to 11:59 p.m.)

Attendance for Credit Reminder - To earn credit for a course, students must be in attendance and marked P or RA for 90% of the time. This year, students will be allowed 8 absences for the Fall semester and 10 absences for the Spring. A student will lose credit for the course if they exceed those limits.
