WELCOME

Welcome to the Eagle Nation! As a student at Wallace B. Jefferson Middle School, you have the opportunity of continuing the traditions and standards of excellence that started with our first classes in 2007-2008. Students are expected to do their best and to demonstrate respect and courtesy at all times. This Student-Parent Handbook has been prepared for your information and guidance.

Keep in mind at all times that you, the student, are the most important aspect of school life at Jefferson Middle School. Be proud of your school, this is your home away from home. Respect it and take care of those within your school. As an Eagle, you are expected to conduct yourself with dignity. You will be challenged in the classroom to excel, will be given opportunities to grow as a young adult and to enjoy a variety of experiences associated with middle school e.g. dances, games, clubs and concerts.

Wallace B. Jefferson Middle School is dedicated to the purpose of teaching students to use their minds as well as build skills that will be useful and required, now and in the future. We are focused on the whole child-mentally, physically, and emotionally. Therefore, it is necessary to have certain rules to ensure each individual has the opportunity to benefit from their educational opportunity. This handbook outlines some of the basic policies around which your school functions. Frequent reference will keep you informed of guidelines and allow you to take full advantage of all school offerings.

Please feel free to contact teachers and administrators when you deem it necessary. The cooperation of school patrons, based upon the knowledge of the school, will result in a more efficient and successful school program. Conferences may be scheduled by calling the school at the following number, 397-3700.

Breakfast/Lunch Money - Go to <https://www.nisd.net> to access your student's cafeteria account and add money as needed. We encourage parents to monitor their student's lunch account online to prevent any problems that deal with your child's purchases. We also ask that students only purchase items for themselves due to other student allergies or restrictions.

Parents will be permitted to eat lunch with students this school year. Parents may bring lunch to their children and leave it in the front office for the student to pick up, students are not permitted to walk outside to pick up food.

BUSES/TRANSPORTATION

Students are required to ride the designated bus assigned to them by transportation. Riding a bus is a privilege, not a right. It is the student's responsibility to walk to the bus loop and get on to the bus at dismissal. Students may be assigned a specific seat on their bus. In order to ride a different bus home, and receive an official bus change form, a note must be sent by a parent/guardian the day prior to or the morning of and be brought to the Associate Principal's office for administrative approval. **This approval must be obtained prior to the end of the school day** (these will not be approved after school in the bus loop) for a student to ride a different bus. Students will be given a note from the Associate Principal's office that needs to be given to the bus driver. The number of students assigned to buses and the systemized route system are disrupted when ineligible students ride on alternate routes. All bus routes and assignments of students are done through the district's transportation offices.

Limousines will not be allowed on our campus property to pick up, or drop off students before, during, or after school, including special events.

AFTER SCHOOL ACTIVITIES

All school and U.I.L. rules apply to conduct and dress code for students who attend after-school activities. Written permission and/or an admission fee may be required for many events. Transportation to and from school is the responsibility of the parents for these activities; parents are expected to pick up their child immediately at the conclusion of each activity. Children should not have to wait longer than 15 minutes for parents to pick them up after a school event. If a parent or guardian does not pick up their child in a timely manner, the protocol and procedure set forth by NISD in the Crisis Handbook could be followed by the administrator or staff member if they deem it necessary. Students who are not picked up in a timely manner after a school event or school function could be denied the right to attend future after school functions for the remainder of the year. Students who exhibit inappropriate behaviors will be removed from the activity. Formal attire and/or limousine transportation are not appropriate for these events. Any clothing deemed inappropriate or suggestive is not permitted.

Circumstances that restrict students from attending after-school events are the following:

- out of school suspension/in school suspension assigned for the day of the event
- other disciplinary actions that may warrant non-attendance of the event
- absence from school the day of the event
- parent/guardian signed after school event(s) permission slip
- repeated misconduct at after-school events or failure to be picked up in a timely manner
- assignment to an alternative educational campus
- withdrawal from Jefferson Middle School (athletic events may be permitted.)

CAMPUS VISITORS

All Parents and Visitors are required to register in the Administrative Office with the Principal's secretary regardless of how long they plan to stay on campus, and must indicate the reason for visiting the campus. They are also required to sign-out prior to leaving the campus. Upon sign-in, all Parents and Visitors should receive a white Visitor's Pass, and must wear this pass where it can be visible to staff. These precautions are taken to ensure a safe environment for our students and staff. All volunteers and mentors are also required to do a criminal background check before volunteering on campus. The background check may be done on-line through the NISD website. Please remember, in order to shadow your child, you must request permission from an administrator, 24 hours prior to being allowed to visit a classroom. This is done so that teachers can plan accordingly with regards to the visit.

DELIVERY OF ITEMS/OUTSIDE FOOD ITEMS

In an effort to minimize interruptions and maximize instructional time, items brought to school after the day has begun will not be delivered to classrooms, unless the item is required for school purposes. These items will be held in the front office, and a notice will be sent to the student informing him/her that the item may be picked-up in the front office.

Flowers, balloons, birthday presents etc. will not be delivered and will be held in the office until the end of the day when students can pick them up to be taken home.

For safety purposes, businesses will not be permitted to deliver food to a student (i.e. pizza delivery, sandwich delivery, food delivery services).

Parent/Guardian dropping off food needs to be a contact listed in HAC. The parent/guardian dropping off the food must bring the food to the front office. For safety purposes, the student may not walk outside to pick up the food.

DRESS FOR SUCCESS

The district's dress code is implemented (Section D); therefore, students will be expected to follow the guidelines set forth by the district. Dress code standards are extended to extra-curricular activities held on the campus.

In an effort to promote a safe and positive school environment which is conducive to learning, students should wear appropriate clothing that will not cause disruptions in learning or safety. Inappropriate, indecent, suggestive or distracting clothing will not be allowed. Students are to follow the district dress code.

****Final decisions on dress code will be determined by the campus principal or designee.****

GRADE REPORTING THROUGH HOME ACCESS CENTER (HAC)

Parents are encouraged to regularly monitor their student's progress throughout the year by utilizing NISD's on-line Parent Portal. Students will receive a progress report in the middle of each nine weeks grading period. The progress reports are designed to inform parents and students of current classroom performance and grades.

Report cards will be issued at the end of each grading period. They provide the student's academic grades, citizenship grades, plus other pertinent information. There is a special comments section on the report card. The teacher's comments help parents and students understand more fully the current grades. We encourage you to make sure that you receive a report card every six weeks. If a parent did not receive their child's report card, please contact the counselor's office for assistance. If a parent/guardian has any questions or concerns regarding your child's education, please start by contacting the teacher, then if the question or concern is not answered/solved, then contact the grade level counselor or Academic Dean.

A student's schedule will not be changed because of low grades or individual differences. Every effort will be made by the school to facilitate parent conferences and staffing's with the teacher and parent before any schedule change will be considered. After exhausting every avenue to remedy the concern, the parent may request to meet with the Academic Dean to see if a schedule change will be granted.

JEFFERSON CODE OF EXCELLENCE

- Show respect for yourself and others
- Our integrity matters
- Always be present, punctual, and prepared
- Responsibility for your words and actions

LOCKERS/GYM/ELECTIVE LOCKERS

Hallway lockers will not be utilized by students this year; however, gym and elective lockers will be used. We encourage students to keep lockers locked at all times; a student should not divulge the combination to another student. Sharing lockers is not permitted. The student assigned the locker is considered the owner of the locker contents. Coaches and elective teachers will provide more information regarding lockers and issues with these lockers should be directed toward the assigning teacher.

LOST AND FOUND

Students are encouraged to take every precaution to protect their possessions, as the campus assumes no responsibility for lost or stolen items. Any article of value that is found on campus should be turned in to the front office or to a staff member immediately. Failure to turn in found items in a timely fashion could result in disciplinary action.

NUISANCE ITEMS/ELECTRONICS

Students are encouraged not to bring personal electronic devices or nuisance items that would be a distraction to the instructional environment. If they are brought to school and deemed a distraction to the instructional environment by administration, they may be taken up and held in the front office. Students who bring their own personal electronic devices, including cell phones, are doing so at their own risk. The school will not assume liability over lost or damaged items. As trends can change radically, items may be deemed a nuisance item at any time by the principal or his/her designee.

TECHNOLOGY ACCEPTABLE USE POLICY

Please refer to Section B of Northside's Student and Parent Agreement for the Acceptable Use of the District's Electronic Communication System policy.

REGISTRATION/WITHDRAW FROM SCHOOL

Registrations - To register your student, please go to <https://www.nisd.net/schools/registration> and complete the pre-registration. A counselor will contact you and schedule an appointment to complete the registration process.

Withdraw of Student - Students that are withdrawing from the campus must return all district issued devices, books, instruments, performance uniforms or any other campus property. Any fines owed to the school need to be paid before records may be released.
