Messes & Masterpieces (5-12 years)

What's one thing all great artists have in common? They make a mess, of course! In this class, we'll create stunning masterpieces while using some of the coolest, messiest art techniques ever. From Frida Kahlo, Picasso, Salvador Dali and more, each messy masterpiece will be inspired by a different master artist. Kids, you better roll up your sleeves, because no masterpiece was ever made without first making a mess! All supplies and materials included in tuition.
