Dear Locke Hill Parents:

Welcome back to the 2020-2021 School year! Meet your Teachers/Staff with this [VIDEO](#)! The first day is upon us!!! Tomorrow August 24, 2020 is the first day of school! We realize starting virtually and starting this way can cause some apprehension for some. We will be here to answer any questions and provide support as you all work through this at home. Don't hesitate to call us with your questions and concerns.

Backpacks/Supplies:

We are excited to welcome students back to Northside ISD and want to ensure they have the necessary tools for learning. If you know any students who might be in need of a backpack and school supplies, ask their parents or guardians to [fill out the Google form located here](#).

Workbooks:

If you were not able to pick up your child's workbooks last week (K-5), you may visit the school anytime between 8:00-3:00 August 24-28. Please enter the security lobby with a mask on and let one of our staff know you need to pick up your child's workbooks. You will need to provide their name and grade. Please adhere to social distancing protocol while on campus.

Google Drive & Schoology:

It has come to our attention that students will need to connect their google drive apps in Schoology in order for them to interact with the curriculum.

Please view the following videos for students to watch with directions on how to do this important step!
