Dear Locke Hill Parents:

We have successfully completed our third week of school! What a great week as we have started having students back on campus! We will be welcoming ECC/ECSE/PreK/K/1st back on 9/21/2020! If you are on that list of coming back on 9/21/2020 you will be receiving an email from your Child’s teacher to welcome you back to school! We appreciate your patience as we are slowly welcoming our students who chose in-person back to school.

Student In Person Phase In:

If you have not been notified by your child’s teacher, you will not be included in this phase in. We will continue to keep you up to date based on the district notifications and changes with Metro Health.

Phase in Plan - NISD

Phase In for 2nd - 5th grade students who chose in person, can begin as early as 9/28/2020. Notifications of this next phase will begin soon!

PTA:

Here are some zoom reminders for Students and Parents:

1. Dress appropriately - Like you are coming to school or work. Parents and students need to remember to dress appropriately for class.
2. Remember to mute yourself - unless you are being asked a question or responding. This includes background noises and conversation that is occurring.
3. If you have a school laptop you do not have a camera, but all others that do, have your camera on and engage with your friends and teachers!

Weekly Reminders: Discovery Time-students must attend/click on tiles in Schoology! We are using Class Dojo Points so when we return in person we will trade those out for Buzu! Be on the look out for a Schoology Parent account email coming from NISD on or near September 18th!

5 Schoology Tips:

1. What am I supposed to do? Assignment directions are found under the assignment link.
2. Where do I do my work? Click on My Document to get a copy of your assignment.
3. Why won't it open? Some students need to reconnect to Google Drive in order to access their assignments.
4. Why do I see my brother's name? With some students sharing a device, they need to make sure they are logged in to their email, not their sibling's email.
5. How do I start? Click on Edit to open assignments in any Google app.
