

## A Message From the Principal

January 6, 2019

Happy New Year Evers Families!

We hope your winter break was joyful and wonderful. We have missed our students and our staff is ready for the great things that will continue to happen in 2020! This is an exciting time of year. This is when we see many students take giant leaps in their learning! Let's keep the positive growth going with the coordinated efforts between home and school. Remember that you can support us with being our partner in education by reading with your child each night. Students will learn the importance of growing as a reader, they will see their parents as fluent models, they will get to practice strategies learned at school and most of all enjoy spending quality time with you!

The following are some additional campus reminders as we start a new year:

- Remember that the first bell is at **7:40 a.m.** A great way to start 2020 on a positive note is by arriving 10 minutes before the tardy bell which rings at 7:45 a.m.

**Evers attendance goal is 97% daily.**

**We are currently at 95.33%.**

**Please continue to support us with this goal!**

- Please remember that the back bus loop is for day cares and NISD buses and maintenance staff only. Please assist us in following our campus rules by coming through the front loop by the marquee to drop off students.
- Stay connected with our school by reviewing our electronic Monday Mail that contains campus news and classroom information. If you are not receiving campus information on Mondays through email or if you need paper flyers instead, please contact your child's teacher.
- Interested in volunteering or mentoring a child? Contact our school for more information! Our volunteers are an integral part to our students' success!

Our school's mission for 2020 is to continue providing a safe environment where students receiving high quality instruction so that they can become independent problem solvers and global citizens of high character. Thank you for your support and for being our partner in education. Have a great week!

Sincerely,

Talia Hernandez-Principal
