

Passmore Device Collection Day

May 28 & 30

It is almost the end of the year! It is time to start returning devices! I will be collecting devices from students starting with PreK-2nd Grade on the 28th, and 3rd-5th grade and other classes on the 30th. Teachers will bring their students to my room C118 with their devices and chargers. Please adhere to the instructions on how to properly wrap charging cables and have all devices ready to go when you come to my room. If you have any questions, please call or email me.

Thank you!

Stevie Martinez
