

## Snapology Space Wars Robotics Class

Robotics inspired by Star Wars® and space travel – how cool! Come on an adventure building and programming functional robots using LEGO® Education Robotics equipment and iPads in this super-fun program. Learn about space, space travel and, of course, Star Wars® as we work in teams and build different robots each week! iPads and Robotics equipment provided by Snapology. The class will take place in a classroom inside the school immediately after dismissal. **Grades 1st-5th.**
